TO: DIRECTOR, COUNTY BOARD OF ELECTIONS
FROM: MARC BURRIS – IT DIRECTOR, STATE BOARD OF ELECTIONS
SUBJECT: STATEWIDE JURISTICTIONAL AUDITS
SEIMS NUMBERED MEMO: 2012-0001

DATE: AUGUST 8TH, 2012

The State Board of Elections (SBE) has implemented an automated weekly audit of all state wide jurisdictions including:

1. NC House
2. NC Senate
3. NC Congressional
4. Precinct
5. VTD

County Board of Elections (CBE) should review these audits periodically to ensure that voters are placed in their correct jurisdictions. These audits are run every weekend and available by 6am on every Monday morning. We also have the ability to run the audits “On Demand” if requested by the CBE.

There will be a supporting document named “2012 State Jurisdictional Audit Instructions.pdf” located on the SBE GIS FTP site that will explain how counties are able to use the audit files SBE provides.

Some things to note:

1. You can review the files via Google Earth via the KMZ file in the audit ZIP file.
2. All of the shapefiles are provided for your GIS entity.
3. The DBF files do contain all of the addresses that are considered “unmatched.” If you could pass those address points to your county GIS so that they could update them for us, you will receive a more accurate audit in the future.

Please contact the SEIMS helpdesk with any questions.
