Marshall,

Matt Gore, my Senior Elections Specialist and I soundly deny the allegations contained within. If I or any staff member in my office have a concern regarding Elections processes or violations of any nature the only individuals we would confer with are our local Board members, County Attorney or the State Board of Elections. Neither Matt nor I know this Mr. Edwin Carter and the telephone number listed in the attached is our modem line for equipment testing and modeming results. Mr. Edwin Roberts sent me a copy of this letter and informed me that he had dusted the letter for fingerprints. Centurylink had posted this number in the telephone book as our main number. We have never had a telephone hooked up to this line. What if anything can we do about this?

Edwin O. Carter gathered information via a telephone conversation with Mr Matt Gore of the Columbus County Board of Elections concerning Mr Edwin Roberts. I was told by Mr Gore that he overheard 2 telephone conversations concerning Mr Roberts and attempts to discredit him and remove him. These accusations he knew to be false. Accusat. No. 1 Mr Roberts was buying vote for congression state candidate Gasto Pridge. This false info was put out by Carla Strickland to Wendy at Chadbourn town hall and also to Chadbourn councilman Brian Edwards via telephone No. 642-3521

Accasation No 2 - Mr. Roberts was attempting to intimidate potential votes for candidate Ken Waddell - Based on a verbal barrage directed at Mr Roberts from a person he had not talked to.

MRS. CARLA STRICKLAND,

THIS letter was GIVEN TO ME
ON 10-19-2012 by a
Edwin O. Carter.

I can't find an attorney to
handle THIS difficult matter.

THIS is why I have disclosed
THIS INFO TO you via a
PHONE conversation I made to
a Math guru to find out if
this info was from him to
Edwin O. Carter.

If this is untrue I will
help you in any way possible.

If Edwin O. Carter is a liar
he has nothing for anyone to
gain.

So I will not spend thousands
to gain nothing if untrue statements.

I am concerned about my
future and every one
involved and how to get
to the bottom of this.

Like I told you via phone
Russell Gause would not give
me a name of the person that
called him.

Russell said if summoned
to court he would reveal names.

Keep in mind every call
I made to anyone I let them
know I had a signed
finger printed statement from
an Edwin O. Carter making
these statements.

I let these people know
I AM NOT SAYING THESE
ARE TRUE, but need to be
looked into.

Edwin Roberts
