Re: Request for prior notice

Dear President Pro Tempore Berger and Speaker Moore:

The Bipartisan State Board of Elections and Ethics Enforcement wishes to assist the General Assembly in its review of proposals affecting the administration of elections, lobbying, and ethics laws. To do so productively, members of the State Board request that each Chamber provide notice of legislation at least 24 hours prior to the public introduction of any measure affecting areas administered by the agency. The State Board is mindful of the meaningful distinction between your role and ours under the Constitution and appreciates your consideration of this request.

Sincerely,

J. Anthony Penry
Chair, State Board of Elections and Ethics Enforcement
